21 CLARESHOLM WEST	64	31	33

Totals— 665 270 446 33

Majority for the Act— 285

Other Results

The total figures for the vote on the Liquor Act for the province have not been announced officially, but the majority for provincial prohibition will approximate 20,000.

The cities, which were confidently claimed as strongholds by the liquor people, furnished the greatest surprise of the surprising denouement, all but one, Lethbridge, giving substantial majorities for the Act.

Calgary	3,351
Edmonton	3,427
Red Deer	349
Medicine Hat	127
Lethbridge	382 (wet)

Forty-three provincial constituencies, out of the fifty-six, are in dry by substantial majorities. Some of the adjoining constituencies voted as follows:

Nanton	493	MacLeod	34
High River	493	Little Bow	549
Pincher Cr.	67	Lethbridge	382

The towns on the C. & E. R., like almost all the others in the province, declared for the Act in no uncertain manner. These gave majorities as follows:

Calgary	57
Okotoks	76
Albany	26
High River	120
Calgary	57
Nanton	68
Parkland	13
Stavely	46
Gratum	87
MacLeod	5

On the Alhertide branch, the dry majorities are:

Blackie	26
Brant	26
Vulcan	22
Champion	48
Carmarthen	27
Barons	26
Notbush	21

Other polls in the district, but not in this constituency:

Star Line 20, Prairieville 12	
Rosky Line 45, Elton 18, Harp 20, Balfour 10, Pine Coulee 24	
(There was not a vote out of this poll), Table Butte 13, Prairie Del 2, Bursack 28, Oton 28 there being only three adverse votes.	

The liquorists met with the cold shoulder in the Mormon towns, as the following majorities would indicate:

Cardston	131
Mogridge	77
Raymond	175

Should Advise Estrays

Fred Magee, secretary-treasurer of the Municipality of Carbon, and Joe Hazlett, a councillor of that town, were each fined \$100 and costs Tuesday at Drumheller by Superintendent Horgan, R. S. W. M. P., who made a special trip to try the case. The two men were convicted of neglecting to estray horses found on their places.—Three Hills Review.

Farmers' Patriotic Acre Fund Well Under Way

The farmers have been so busy in the district in which the Claresholm U. F. A. finds its membership, with the result that not so extensive a canvass has been made for the Farmers' Patriotic Acre Fund as will be made in the next few days. There seems to be a most enthusiastic acceptance of the movement, however, and it will mean a big thing for the Patriotic Fund when the harvest comes. There have been two lists handed in to The Advertiser for publication. These represent the work of J. H. Walton and the secretary of the Union, R. S. Law. Pressure on our space prevents the publishing of these lists which were received several days ago. There will be a splendid increase to the list ready for next week, it is presumed. The patriotic record runs as follows:

A. Kingsthorpe	
Wm. Lebow	
J. F. Reynolds	
Frank Murray	
C. F. E. Elliott	
Thos. Cobble	
J. H. Walton	
Thor Brown	
J. O. White	
Thos. Barley	
G. G. Gundersen	
S. L. Fraser	
E. Brown	
J. L. Salmon	
R. S. Law	
G. H. Lamb	
Ed Strangways	
T. Darch	
N. Taitinger	
O. J. Berg	

Another U. F. A. in Line

The Mountain Peak U. F. A. have come out strongly for the Farmers' Patriotic Acre Fund and at a meeting held last week at which the movement was endorsed, arrangements were made to prosecute thorough canvass among the members and farmers in the district. Seven acres had been donated at the close of the meeting.

Provincial Election in Man.

The Manitoba legislature was dissolved on Friday last and writs were issued for the coming of an election. Nominations will take place on July 30th and the appeal to the people will be tested in a vote on Friday, August 6th. The men in which the affairs of the province had been gotten by Roblin & Co., demands that the Liberals who have been in charge of the government for a few weeks should appeal directly to the people, before continuing the "cleaning of the Augean stables." The Conservative party has re-organized and will go to the polls with a purged list of all of those who belonged to the corrupt "ring" which has dominated Manitoba politics for nearly 16 years.

Mrs. J. B. Boese and family have returned from a trip to Montana, the errand being a sad one. Mrs. Boese went to attend the funeral of her brother, Geo. Hillyer, who died of an attack of measles after only three days illness. The deceased had been in attendance at the School of Agriculture last term and was well known to many of the young people in Claresholm.

Miss Annie Farrer is spending a few days with Mrs. Hamlyn of Mead Creek.

The daily war expense on Great Britain are paid by premier Asquith at \$41,220,085.

CLARESHOLM

Mrs. Wm. Moffatt paid friends in Gratum a visit yesterday.

Messrs. Mason and Ross, of Gratum, were here yesterday.

W. D. Annable, of Parons, was here yesterday.

Sid Cooper, of Stavely, was a Claresholm visitor on Wednesday.

Milton Moffatt and Chas. McLean, of Gratum, were here for a short visit on Sunday last.

Mrs. Bredon and family are spending a vacation at the home of her parents at Nelson, B. C.

Mrs. C. N. Booth and family are spending a vacation with friends at Calgary.

Geo. Wales and son, from Calgary, are spending a few days with friends in town.

J. F. Reynolds and family spent yesterday trying to fish in the Hills. They say the flies got more than they did.

Wm. Moffatt, M. L. A. and C. E. Tiltson spent last Tuesday at the picnic at Beaver Creek, extending the glad hand.

About 38 Oddfellows and friends went out to the cemetery last Friday evening and decorated the graves of deceased brethren.

Mrs. Geo. Simpson and daughter Ruth and Dr. Riggs have gone east to visit friends at Toronto and other Ontario points.

Dave Gaffney, of Nez Perce, Idaho, is spending a few days looking after his land interests here. Dave is looking fine. His new home seems to agree with him.

A. Hutton is the latest to spring a new car upon the Claresholm autoists. It is a new "Kotting" and is one of the finest cars in town. He unloaded the car on Wednesday.

Jas. Blair, of Gratum, was in town yesterday on business connected with the splendid fair which they are anticipating on the 4th and 5th of next month.

W. R. Shanks went to Calgary yesterday. He played golf for the High River team in their lacrosse match with Calgary yesterday, the match being won by Calgary eight goals to three.

The juvenile ball team went to Stavely on Tuesday and won a game from the local juveniles by a score of 16 to 11. The return game will be played here on Tuesday next.

The Claresholm ball team will play at the Leeds' picnics on Wednesday next. After the baseball game they will attempt to call the bluff of the boastful Englishmen by trying to beat them at cricket. Here's hoping.

Inspector Tucker, Corporal Searles and Constable Simmonds are attending the funeral to-day of Constable Patterson of the Mounted Police, who was drowned in attempting to ford Boundary Creek on Tuesday.

Prin. Stephen returned on Thursday from several weeks spent with the agricultural train. He will begin the train early next week. A great deal of interest is being manifested in the exhibit which is carried and the lectures on agricultural topics are listened to by large crowds of farmers at every stop.

Many students are being secured for the fall term of the school of agriculture here.

Hamilton, July 21.—The Masonic Grand Lodge of Canada opened a congress today in Hamilton, where it had its inception thirty years ago. Over 1,200 delegates from all over the Dominion are in attendance.

PRAIRIEVIEW

BOHN—To R. E. and Mrs. Pugh, on Sunday, July 11th, an eight-day boy. R. E. is now wearing a smile which nothing can erase.

The hail did some damage here on Friday. Among those whose crops were hit are Joe and Jim Best and Mr. Leader.

W. E. Smith, of Calgary, and son Frankie, arrived Sunday, and are spending a week's visit with W. J. and Mrs. Lebow. Mrs. Smith is expected on Sunday evening train.

The Sunshine Club met at Mr. Strangways on Thursday, July 15th. Five members were present. After spending for awhile a lovely lunch was served and the club adjourned to meet with Mrs. Freeman Anderson on Thursday, July 22nd. All ladies who are interested are invited to attend.

Another Gold Medal Won

The Opera House was packed at the meeting on Monday evening when the boys and girls of the town offered the entertainment under the auspices of the W. C. T. U. and with an eye to the voting on the Liquor Act. As an influence upon the results of Wednesday this monster meeting must have been great.

The parents surely could not resist the appeal of the children whose banners and shields bore the motto, "Vote for Us." "Alberta Must Go Dry." Chorus were sung, the children having been painstakingly drilled for the occasion by Mrs. Steves and Miss Doyle. A gold medal contest was a feature of the evening. There were two competitors from Nanton and three, Alfred Edlund, Arthur Haig and Miss Maud Milnes, from Claresholm.

The judges, who were Messrs. Geo. Richards, of Gratum and S. C. Williams and Rev. MacNiven, had some difficulty in making an award. The choice eventually fell upon Alfred Edlund. Willard Haig also favored the audience by reciting the selection which won for him the gold medal at the contest in Nanton some weeks ago.

Hail Storms Hit New Trail

Hail again interrupted the peaceful anticipation of a bumper harvest of some of our local agriculturists east and north of town last night. The storm came up about ten o'clock and was very threatening in appearance. It formed to the north and swung eastward for a few miles, then turned southeast toward the Rocky Coulee district. The strip covered does not seem to have been very extensive, but it visited a section which has hitherto seemed to have been immune. Claims have been entered to-day running from 35 to 75 per cent. From the reports it seems as if there were two storms about an hour apart, these storms being separated by a calm extent.

A loud roaring was heard which might indicate this theory. Among those who suffered more or less were J. L. Salmon, L. T. Torgersen, Henry Stage, Brown Bros., R. S. Law, Wm. Huffman, O. J. Berg, Grose Bros., T. P. Mosley, M. Matson, G. W. Miller, Norman Lepard.

Drill Deep Well for Water

McAlister & Larsen have just completed the drilling of a well for 71 ft. Lewis, 332 feet in search of water. It is to be regretted that the hole proved dry, but Mr. Lewis will have the some drillers put down another hole expecting better luck. The drilling of this well proves the ability of the drillers and the capability of their rig to drill deep wells.

Mass Meeting at Opera House Next Sunday Evg

There will be a union thanksgiving service on mass at the Opera House on Sunday evening at 7.30. Special music and appropriate addresses will form the program. Everyone should attend this meeting, those who voted dry because of the great victory and those who voted wet because their defeat is really in their own best interests and in the interests of the province which they call home. It is eminently fitting that to the Providence that gave the victory, thanks should be offered.

Prominent Grain Man Dead

The death occurred at Winnipeg last Tuesday of W. J. Lindsay, of Winnipeg, Man., a brother of Walter Lindsay of this town. The late Mr. Lindsay was a member of the grain firm, Matheson-Lindsay, of Winnipeg. He was for many years associated as a business partner with W. L. Parrish, M. P. P. for South Winnipeg. He came to the West from Waterloo, Que., in 1881 and was connected with the local grain business in Brandon before going to Winnipeg in 1908. Mr. Lindsay was about 62 years of age, a life-long Anglican and a member of the Masonic order. He is survived by his wife, one daughter and three sons. He also leaves three brothers: Palmer of Winnipeg, John of Swift Current, Sask., and Walter, of Claresholm, Alta.

Change in Application of Fund

There being such strenuous objections being raised to the proposal of the custodians of the Patriotic Fund to place a part of the grants to the wives and families of the soldiers in a trust fund for future contingencies, this plan has been abandoned. The custodians of the fund are now making the announcement of some changes in the application of the relief. Up to the present they have not been taking any portion of the assigned pay of the soldiers into account when making the grant to the wife, but hereafter every application will be treated on a basis of assistance in case of need. The total income from all sources will be fixed on a just basis, taking into account all revenues of the wife or family including also the assigned pay. The object is that the resources of the fund will be drawn upon according to the need of the applicant. Where husband's salary is being continued in whole or in part by his former employer and where half his pay as a soldier has been assigned to wife or family dependents, the demands upon the fund will be relaxed to meet more needy cases.

Something New in Sociables

The Ladies' Aid Society of the Methodist Church are announcing a lawn party on the church lawn for Friday evening, July 30th. There will be four booths in charge of the ladies, each in its decorations and in the tempting wares displayed for sale carrying out the design of the four seasons. No matter what weather man there will be in one of the booths something that will be appropriate. In the interests of this big crop which is anticipated, it is hoped that good, old, red-hot summer will be the most patronized, but the other booths may have some surprises in the line of seasonal outdoor. One may have to go to winter for ice-cream, who knows? It is expected that the Claresholm Band will assist.

On the Local Diamonds

Claresholm and Clear Lake played baseball on Wednesday evening which resulted in a win for the former. The score shows a very close game and Claresholm in their last innings had to make two runs to win, which they accomplished. The line-up was as follows:

Claresholm	Clear Lake
Walker	c Schumacher
Stebbins	p Fredericksen
Reynolds	1b A. Amundsen
J. E. Moffatt	2b Caveny
E. Reid	3b Berg
Roy Soloy	ss Schumacher
H. Harvey	if
Shorrleid	c Schumacher
L. Clark	if S. Wyatt

Walter Harvey umpired to everybody's satisfaction.

More Prizes for Boys at Fair

In addition to the prizes offered for competition among children at the approaching Claresholm Fair, the following:

SPECIAL PRIZES FOR BOYS (Given by C. F. A. Leeds)
Open to boys under 16 years.
For the best exhibit of home work and industry, either in the way of mechanical work, or collections or other handiwork done by a boy in his spare time. The exhibit to be the work of the exhibitor.
Prizes—1st \$4.00; 2nd \$3.00; 3rd \$2.00; 4th \$1.00.

Celebrate "Pioneer Day"

"Pioneer Day" will be celebrated by the Mormon people on Saturday July 24th. They have a program which keeps everyone busy enjoying himself or herself from 10 in the morning, when the program of addresses and music opens in the church until 10 at night, when the dance will be over. The children will have their sports and will be awarded suitable prizes. The afternoon is given over pretty largely to baseball games, local teams who have had "hired in their eyes" for one another will meet. There will be athletic sports as well. The invitation is given to every one to attend and help in the celebration of the day and enjoy the good time.

Other Local Items of Interest

John McAlpine is having a holiday which he is spending in the east, with friends in Winnipeg, Man., and Detroit, Mich.

Quite a number enjoyed the dance at the Opera House on Wednesday evening. The bachelors of the town were the hosts.

Malcolm Calder, of the department of public works, Edmonton, is in the hills looking after the roads needed this week.

Mrs. D. P. Williams and two children left on Wednesday for Sidney, Man., the illness of her mother, Mrs. James Routley, being the occasion for the hurried trip. Mrs. Routley is very low.

It is said that Roy Gornly has sold his garage to J. H. Riley, the representative of the gas company here. Mr. Riley will place a competent man in charge. It is reported that Harry Field, of Macleod, will be the new man.

Albany, July 21.—Mr. Ernest Macleod of Elton, near High River, was drowned yesterday afternoon at 5 o'clock while attempting to ford the river in a buggy. He was accompanied by Mr. Gibson. It was said to have saved himself. The river was swollen by the recent heavy rains, and the ford was in dangerous condition.

FRIDAY, JULY 23rd 1915

It was a glorious victory. It exceeded the fondest expectations of the most optimistic supporter. A landslide, a deluge, was the 30,000 majority rolled up for the Liquor Act. Several factors contributed to the success of the prohibition measure. The people of Alberta are thinking voters; they can be trusted in a moral issue to do right. The cause was absolutely, irrefutably a just cause. The supporters of the Act made out a case incontrovertible. The Act itself is as perfect as human ingenuity could devise, legal skill construct and earnest workers desire, with the limited powers of the provincial government. The supporters of the Act were unspangly unselfish and gladly made any sacrifice to attain the higher ground on this moral question. Churches worked in greater harmony than has yet been seen. Business men worked for the Act because they were satisfied it would help business. Drinkers worked and voted for the Act because they knew it would help themselves. Abstemious workers for the Act because they were convinced it would help others who were not abstemious. Fathers supported the Act for their children's sakes; big brothers for their younger brothers. Women prayed and urged for their boys' sakes and for the boys of their neighbors. Patriots voted and supported the measure for their country's sake. Such a mass in motion could not be denied. The fines in which we are living has brought the serious upturned in our thought. Seriousness made men vote for the Liquor Act. Money was contributed, time was contributed, cars were contributed. An outstanding difference marked the supporters of the "Yes" and the "No" on this great issue. The latter got what they paid for and very little more. The former were overwhelmed with offers of free service. The curtain was lifted up, if ever so little, to show what could be accomplished if politics knew one morally right side and one morally wrong side.
